THE NEW RANGE ROVER

DISTINGUISHED DESIGN

Range Rover represents the pinnacle of progressive luxury. Proportions are defined by aesthetic grace, sophistication and refinement. The reductive nature of the design is free from superfluous detail, resulting in a form which speaks to modernity, yet is full of charm. This is the most desirable Range Rover ever created.

Vehicles shown are from the Land Rover global range. Specifications, options and availability will vary between markets and should be verified with your nearest Land Rover Retailer.

PRESENCE AND PROFILE

An effortlessly modern interpretation of the Range Rover profile seamlessly integrates into an instantly recognisable silhouette. Wherever you are in the world, the world will know what you're driving.

STATURE AND POISE

Range Rover's imposing face communicates a character of unparalleled presence and supreme stature, contrasted by its reductive, modern detail. And, for the first time on Range Rover, 58.42 cm (23) wheels* enhance the vehicle's consummate proportions and undoubted poise.

CLEAN AND ESSENTIAL

A uniquely distinctive design, defined by its uninterrupted edge, accentuates Range Rover's strong, beautifully sculpted body. Flush elements, clean expansive surfaces, hidden-until-lit tail lamps and precise detailing take the design philosophy to new levels of emotional engagement.

A choice of Standard or Long Wheelbase body designs provides elevated luxury for five or seven adults, all delivered while retaining the unmistakable Range Rover profile and Command Driving position.
